

BECOME AN

# ABC Ambassador!

You can help us take care of the animals at the  
ABC Animal Sanctuary by becoming an ABC AMBASSADOR

## BECOME AN ABC AMBASSADOR!

Choose an animal to sponsor · Animal sponsorship pack  
2 free entries to our open weekend each year · ABC Goody bag  
Visit the sanctuary twice a year for personal visits · Refreshments provided  
£25 per month · Regular e-mail newsletters from the sanctuary

*Alexandra Bastedo  
Founder*

**Alexandra Bastedo started rescuing unwanted and abandoned animals over 45 years ago. During this time and until her death in January 2014, the Sanctuary has received, cared for and re-homed hundreds of animals in need of help and protection.**

Many of the animals are of an older population with some of the equines in their late twenties to thirty years old. They're in great condition, happy and pain free with a good quality of life. Some of them have been with us many years.

The ABC Animal Sanctuary receives no funding, and we are therefore reliant on the generosity of our supporters, our own fundraising events and those of the public and our wonderful volunteers.

It takes a lot of hard work, money and effort to keep older animals and those with chronic health conditions in good shape, but that was the mission of our founder, the late Alexandra Bastedo and we carry that on today in her name.

The cost of rescuing, feeding, vets bills, and caring for our animals amounts to approximately £10,000 per month. Unfortunately, with the rising cost of living, our donations have been decreasing while our expenses continue to rise.
