

WELCOME TO THE

ABC Animal Sanctuary Open Weekend

Alexandra Bastedo started rescuing unwanted and abandoned animals over 45 years ago. During this time and until her death in January 2014, the Sanctuary has received, cared for and re-homed hundreds of animals in need of help and protection.

Many of the animals are of an older population with some of the equines in their late twenties. They're in great condition, happy and pain free with a good quality of life. Some of them have been with us many years.

The ABC Animal Sanctuary receives no funding, and we are reliant on the generosity of our supporters, our own fundraising events and those of the public and our volunteers. Thank you, The Trustees.

Alexandra Bastedo
Founder

It takes a lot of hard work, money and effort to keep older animals and those with chronic health conditions in good shape, but that was the mission of our founder, the late Alexandra Bastedo and we carry that on today in her name.

We are very fortunate to have over 60 volunteers who work in the Sanctuary who between them care for the animals 365 days a year and in all weathers.

In addition, there are many other volunteers who cover the various administrative procedures required to run a charity.

They all do this purely for the love of the animals and we thank each and every one of them!

The cost of rescuing, feeding, vets bills, and caring for our animals amounts to approximately £10,000 per month! Unfortunately, with the rising cost of living, our donations have been decreasing while our expenses continue to rise.

Special thanks go to our wonderful Farrier for keeping all our horses, ponies and donkeys hooves in great shape.
